Year 2 – Maths Targets

The Keys to Success!

÷ − x =

Number and Place Value
I can partition two digit numbers into tens and ones.

Number and Place Value
I can identify different combinations of tens and ones.

Multiplication and division
I can use multiplication and division facts for the 2, 5 and 10 times tables.

Number and Place Value
I can solve problems using my knowledge of the 2, 5 and 10 times tables.

Measures
I can read a range of scales in divisions of 1, 2, 5 and 10s.

Measures
I can tell the time to the nearest 15 minutes.

Measurement
I can use different coins to make the same amount of money.

Shape and Space
I can describe the properties of 2D shapes.

Shape and Space
I can describe the properties of 3D shapes.

Addition and Subtraction
I can estimate before calculating and explain my answer.

Addition and Subtraction
I can add two digit numbers within 100.

Addition and subtraction
I can mentally subtract a two digit number from a two digit number using my number bonds.
(74 – 33)

Addition and subtraction
I can write number sentences that show my understanding of the inverse operation

Addition and Subtraction
I can us the inverse operation to calculate missing number problems

Fractions
I can identify $\frac{1}{3}$, $\frac{1}{4}$, $\frac{1}{2}$, $\frac{2}{4}$ and $\frac{3}{4}$

Fractions
I know that all parts must be equal to make a whole.

☐ **I have achieved all my targets!**
